Duke Energy General #: 1-800-700-8744

Forest Hills Utilities (Trash Collection): 727 937-7457

Our Next General Meeting: Will be held on Tuesday, March 7th, at the church on the corner of Berry Hill and Grand Blvd. Social meet and greet is 6:30 to 7 pm, with the regular meeting being called to order at 7 pm.

Guest Speaker: We are hosting a Pasco County Animal Control representative at our March meeting. Here is a good time to meet a person from the County and ask those questions they may be able to answer regarding domesticated pets undomesticated pests and the County's role with what is, for some, a delicate issue. This is a question and answer session, not a time to file complaints.

Annual Dues: The Annual Dues for 2023 is \$30 per household and is now payable.

Help was given: A "Thank you" shout out to those who helped move the pavers and the flag pole FHECA installed at the front entrance.

Committee Meetings: The first meeting for the Island Committee and Bylaws Committee were held. More on that will be discussed later. Several people have made suggestions at our General Meetings. If you are interested in getting involved on these important matters affecting the entire community, then you need to contact Brian Thompson by emailing him: ForestHillsEast@gmail.com and join us.

Yard Sale: Members present at the last meeting voted. We will hold the Spring 2023 Community Yard Sale on Saturday March 25th. Time 9am to 3pm. We will post notices on social media and have banners placed at the main entrance a few days before the event. Time to clear out stuff and make a few bucks. If you are going to participate in the yard sale, go ahead and post that on your social media, more we advertise, the better the response.

Did you Know: That you can not park a boat, trailer, camper, RV or utility trailer in front of your home? This is a Pasco County ordinance. Also, did you know that you can not park same except in your garage or the rear of your lot behind an opaque fence? Well we have numerous vehicles in violation of this Deed Restriction. Should your Association ask you to follow the deed restriction or face court action? Should we amend our Deed Restrictions? Suggest you join the Association and attend meetings to have your voice heard.

I did not know: That one drop of water dripping every second will waste 2.083 gallons of water in one year. Enough to fill the average swimming pool, TWICE.

FHECA Secretary: We need someone to join the Board as our Secretary. An important role as one of our four Officers. Mary Thompson has done a great job for us, but after many years in this and other Director roles, she is ready for a break.

**Remember March 12th is Daylight Savings. Time to Spring Ahead (oh, great)
And a Happy Saint Paddy's Day to all (OH GREAT!!)**
