Duke Energy General #: 1-800-700-8744

Forest Hills Utilities (Trash Collection): 727 937-7457

The Atlantic hurricane season is June 1 to November 30 every year. August and September are typically the most active months for tropical storms for Florida. It's important to prepare for hurricane season. That means creating an emergency plan, fortifying your property, and making sure you're fully covered with home and flood insurance. Keep an extra supply of bottled water and canned food stored.

Garage Sale. Our April garage sale was a great success. FHECA will be sponsoring another Garage/Yard Sale for December 3rd, hours of 9 am to 3 pm. More information will be published.

FHECA By Laws and Deed Restrictions. The FHECA Board is reviewing the By Laws and Deed Restrictions. Proposed changes will be presented to the general membership for review and votes for approval. More information will be forthcoming. Remember, Pasco County has Ordinances that cover everything from property and lawn maintenance, animal control, boat and vehicle parking and storage. Be certain to review these Ordinances that Pasco County enforces. County fines and penalties can be significant for violations that remain uncorrected.

Sale of the "Island" The property that is at the end of Berry Hill, locally called the island, has been sold to developers. The FHECA Board is keeping up to date on the land use plans and proposed development. At the moment it is in the early planning stage with the county.

Newsletter and FHECA General Meeting The next scheduled Newsletter will be published in September, and the next General Meeting will be October 4th at the church meeting hall on the corner of Grand and Berry Hill. Please plan on attending.

Many Thanks We are appreciative to the volunteers who help clean, paint and beautify our front entrance. Community pride on display.

Happy Independence Day. To those who celebrate our Independence with fireworks, please be certain to follow the laws regarding their use, employ good common sense for safety and be respectful to others. Some pets react poorly to loud noises.

New Members, 2023 FHECA Board We need volunteers to run for officer and director positions, as well as various committees. Please help and if you have an interest, submit your name to Mary Thompson and let her know what you would like to help us with.
