Our Next General Meeting: Will be held on Tuesday, May 7th, 2024 in the church on Berry Hill and Grand. Social time 6:30 pm, meeting will be called to order at 7:00 pm. This will be the last meeting until September 3rd, 2024. Have a safe Summer, and we'll see you in September (The Happenings 1966)

Dues: 2024 Dues are now being collected. The amount will remain at \$30, but we are asking, for those where it does not create a hardship, to pay \$50. At our meetings discussing how the money is spent and what we could be doing is always an open topic. Mail your dues to Forest Hills East Civic Association, PO Box 3781, Holiday, FL 34692. Include a note with your remittance providing your email address, so we can email you our Newsletter.

Island Committee: Brian Thompson has been in contact with a representative from the Army Corps of Engineers who claims to be trying to schedule a visit with the property owner. It is forging ahead at a snail's pace much to the frustration of many. Meanwhile, as we approach 2024 Hurricane season, the fears of area flooding due to the breach between the lake and Anclote River remain.

Changes to your home exterior and Property: Many changes you may consider doing to your home or property do not require Pasco Permitting, however, some do. So, please check with the County to be sure you are in compliance. You are also encouraged to review the FHECA requirements too, before work is commenced. Doing this can save you a whole lot of time, trouble and money.

Community Yard Sale: The last community yard sale we held was a big success. We are looking at having the Autumn Community Sale in September-October. No definitive dates are set, so we are soliciting your thoughts.

Advertising: We have two business card size ads available for publishing in our Newsletter. If your business is interested in placing an ad, or know of a local business that does, please have them send an email to ForestHillsEast@gmail.com. Remember, **Please support our Advertisers.**

Important Dates: April 15th, 2024 Federal Tax Filing deadline, May 12th, Mother's Day, May 27th Memorial Day, June 14th Flag Day, June 16th Father's Day, July 4th, US Independence Day September 2nd, Labor Day

2024 Hurricane Season: Begins June 1st. According to many, who study these weather patterns, the 2024 Atlantic is forecasted to be the busiest and most severe hurricane season on record. Be forewarned and be prepared.
