---

**Our Next General Meeting:** Will be held on Tuesday, December 3, 2024 in the church on Berry Hill and Grand. Social time 6:30 pm, meeting will be called to order at 7:00 pm.

**Elections for FHECA:** The FHECA Board of Directors and Officers election will take place during our December 3rd meeting. We are in need of people who would like to serve, all Officer positions are open, please consider joining the Board and help our association grow. Please submit nominations or put yourself forward now please.

**Menu Change to Annual FHECA Holiday Celebration:** At the December 3rd meeting we were planning on grilling hamburgers and hot dogs, At the November meeting, Membership suggested we have a traditional meal of Turkey and Ham. That suggestion was approved, so a menu change. We are asking those who attend to bring a favorite side dish or desert appropriate for turkey and ham.

**Dues:** 2024 Dues are still being collected and 2025 dues are now due and payable. The amount will remain at \$30, but we are asking, for those where it does not create a hardship, to pay \$50. At our meetings discussing how the money is spent and what we could be doing is always an open topic. Mail your dues to Forest Hills East Civic Association, PO Box 3781, Holiday, FL 34692. Include a note with your remittance providing your email address, so we can email you our Newsletter.

**Island Committee:** The berm remains breached and impacted by the Anclote River tidal system. A number of folks found a Facebook Post regarding Pasco County Development that claims the owner is changing plans to try and put 19 homes on the 'island' and Pasco County has no issue with that change. Anyone that has time to help figure out what is going on, please do and send Brian Thompson an email.

**Community Yard Sale:** A community wide Yard Sale is scheduled for Saturday December 7, 2024. The last community yard sale we held was a big success. Signs will be posted the week of the sale and we ask you to post that event on your social media.

**2024 Hurricane Season:** The Hurricane season made severe impacts to our state. Hopefully you and your friends and family were not effected. Pasco County and FEMA recently had a subcontractor out trying to determine if there was any storm water impact from the storm drains on Sugarbush Drive that may have failed to perform.
