FHECA General Meeting: The next General Meeting will be Tuesday, November 1st at the church meeting hall on the corner of Grand and Berry Hill. The meeting will start at 6:30 pm with a social gathering. At 7 pm the meeting will be called to order. Most meetings last about an hour. Please plan on attending. Coffee and snacks will be available.

2023 FHECA Board: We need volunteers to run for officer and director positions, as well as various committees. Please help and if you have an interest, submit your name to Mary Thompson and let her know what you would like to help us with. All officer and directors positions are open. Nominations will be held at the November 1st general meeting and elections will be held at the December 6th Meeting.

2022 Holiday Get-together: Tuesday, December 6th, starting at 6:30 pm we will begin with our general meeting. Following the meeting we will be holding our annual Holiday gathering. This will be open to all property owners and residents. Turkey and Ham will be provided by the Association. Bringing a covered dish or dessert would be appreciated. Contact Nancy Liebl by email: Nancy.Liebl@gmail.com if you want to bring something, but are unsure what might be needed.

Garage Sale: FHECA will be sponsoring another Garage/Yard Sale for Saturday December 3rd, hours of 9 am to 3 pm. FHECA will have entrance signs posted a few days before the sale, and we will publish the notice of the sale on various social media platforms. The last yard sale was a great success

Pasco County Ordinances: The FHECA is a Deed Restricted community. The ordinances enacted by Pasco County make up part of these restrictions. Be aware that FHECA Restrictions, as well as Pasco County Code require the storage of unregistered vehicles, boats, trailers and all such other similar items must be kept behind fencing in the back of your lot, or in your garage.

Animal Control: Dogs are required to be kept behind fences, and on a leash, when being walked. Barking dogs can be reported as a noise nuisance and aggressive dogs are considered dangerous. Be aware that the county has a limit on the number and type of pets that can be maintained at a residence, and that pet breeding at a residence, under most conditions, is a violation of Pasco Codes.

Keep up the good work: Our FHECA community is doing a good job in yard and lawn maintenance. This makes our community not only look nice, but is inviting to those who may wish to move into our community.

Thank you: to those volunteers who help maintain the main entrance and distribute the newsletter.

Happy Veterans Day and Happy Thanksgiving
