## President's Message

At last, we have seen the replacement of our streets begin! I'd say our drainage is working great, as for the most part, the recent rainfall appeared to drain off quickly. Hopefully, work on the streets will begin again soon.

Thanks to Bill, Stan, and Cheryl for their work since our last meeting in April. Suzie and Lee Taylor, long-time residents and members of FHECA have moved. We will miss them!

If you notice your street light out, please notify Duke Energy. The number on the light is helpful, but not necessary, just a correct location. Thanks to all who are keeping your garage (not porch) lights on at night. It really helps light up the neighborhood.

We are planning to have local speakers for some of our meetings, and will notify you in Advance

Welcome to all our new homeowners!

Please come to the monthly meetings—**First Tuesday** in the month from September through April. You can meet your neighbors, address your concerns and discuss solutions. We look forward to seeing you September 6th.

Donna Marx, President

### **In Memory:**

Glyndon "Glyn" HAMILTON, 82, of Holiday, died Aug. 23, 2016. Survived by wife, Joyce; daughters, Kim and Lisa; son, Robert; six grandchildren and three great-grandchildren. Our sympathy and prayers go out to his family.

### **DEED RESTRICTIONS**

Bill & Stan met with several county officers to clarify FHE and Pasco County Deed Restrictions. The results follow.

**Trailers per Code include travel trailers, RV's, Motorized homes, pickup coaches, boats, boat trailers and noncommercial utility trailers.**

These vehicles must be stored in the back yard or side yard behind the front line of the home. If you have your vehicle at your home for use over a weekend or holiday, storage must still be on the side or in back of the yard.

These vehicles may be **temporarily** parked in the front yard for loading, unloading, or cleaning **only**. When this is complete, the vehicle must be

moved to the back or side yard. At no time, may the vehicle be stored in the front of your home.

**In both our restrictions and county ordinances, you cannot block the side walk.**

This can block emergency vehicles access and is an inconvenience for other residents, as well as a safety hazard for younger bike riders.

**When you walk your dog/dogs, be sure to pick up their waste. It is the responsible thing to do as a pet owner and neighbor.**

### **Community News**

*We have several new residents, please welcome them to the neighborhood !*

**Our Fall Community Garage Sale is scheduled for Saturday, November 12th this year! Hopefully, we will have more Snowbirds back, and less competition! Start accumulating your treasures!**

Please consider placing an ad in our newsletter for your business. It would be convenient to know if we have people who do different kinds of maintenance in our subdivision.

### **Pasco County Agencies:**

*Although we at FHECA are willing to help all our members, many issues must be resolved by the Pasco County Sheriff's office or other Pasco County agencies.*

For noise violations, suspicious activity, trespassing problems, or other violations, call the Sheriff's Office at 727-844-7711 for the quickest response.

Good that a simple smile will do.

Mother Teresa

I have always been a great admirer of Mother Teresa. As a Protestant, she always appeared to be the embodiment of faith and service. There is a very interesting documentary out now about her and her work.

## Recipe of the Month

Richard loves corn on the cob, and I do not grill. I found this recipe for boiling instead. Apparently, the most important instruction is not to overcook!

Corn on the Cob

### **DO NOT OVERCOOK!**

While shucking and cleaning corn, fill a pot with enough water to cover the Corn. Bring to a boil. Add cleaned corn. When water boils again—it's done. Remove corn ASAP to prevent overcooking.

***I have found a really easy way to fix avocados for dinner/supper. I just split the small ones length wise, remove the seed, place both halves in a small bowl, and use as a salad. We eat them with spoons, no peeling, no extras, healthy and delicious!***

Please bring your favorite recipes or cooking tips to the monthly meeting or e-mail to me at [dkmarx@gmail.com](mailto:dkmarx@gmail.com). I

know we have so many great cooks out there with lots of truly GREAT Recipes!

## Summer 2016

*Since this is such a large blank space—this summer I unexpectedly spent most of June in Banner Elk, NC. My cousin Teresa, had major surgery and needed someone to stay with her. (She came through the surgery fine and is doing very well.) I volunteered when her previous plans fell through. Since I grew up in the Appalachian Mountains, it was a nice benefit to get to spend time in the mountains again! Fortunately, Banner Elk is a little over a mile high, as Teresa does not have air conditioning but lots of ceiling fans! Although the weather is usually rainy in June, it was clear and beautiful. It was surprising to see temperatures in the 90's in lower elevations—unheard of when I lived in the area over 50 years ago. I attended Lees McRae College in Banner Elk for one year before we moved to Louisiana in 1965. It is now a 4-year college with a new Nursing program. (A smart move by the administration with so many of us over 65 folks.) The campus is still small but lovely, and my old dorm is still standing!*

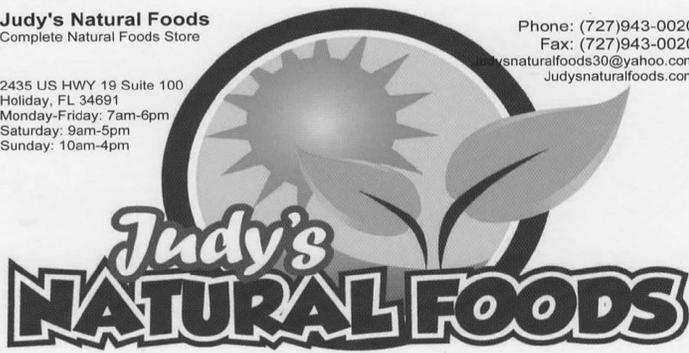

*I was happy to get home in early July, as I sure missed my family!*
